AANR Convention Seminars & Forums

What if you could have fun and learn a new skill or get some new information at the same time? And have fun while doing it? Well, the seminars described below will allow you to do just that. All are short (most are only an hour or so long) are presented by experts in their respective fields and they're free. And did I say that you'll have fun while doing it?

Monday, Aug. 6

9:30 – 10:45 a.m.

– **Government Affairs Team (GAT)** – Alonzo Stevens, AANR GAT Chair

What is the difference between GAT and CAT? What is GAT all about? How does GAT work? Why is GAT important to you? Where is GAT going in the next 5 years?

10 a.m. – 12 noon

– **Adult, Child and Infant CPR Refresher Course** – Don D. Romano, EMT, CPR Instructor

All the latest changes for the year. This is a fun-filled action, hands-on refresher class, teaching you life-savings skills, and skills to help keep you safe. Come join me: “Djuan the Tool Man” for this educational event.

11 a.m. – 12 noon

– **Community Awareness Team (CAT)** – Debra Sue Stevens, AANR West GAT Chair

What is a Community Awareness Team (CAT)? How to start a CAT? Learn why these local teams are so important in the advocacy of nude recreation.

1:30 – 3:30 p.m.

– **Public Lands/Private Partnerships Workshop** – Chuck Sheppard, Owner, Hoodoo Recreation

(which manages Cougar Hot Springs); Panelists: John Kinman, Shirley Gauthier, Steve Hubbard

During the last few years, AANR has begun to seek partnership opportunities with public agencies. This effort has brought about a better understanding of our mission and our members' needs by those who are responsible for managing public lands. Now we are being invited to the table for discussions and we hope that adversarial situations will become less frequent.

One of AANR's recent Northwest partnerships is with Chuck Sheppard, owner of Hoodoo Recreation. Chuck and his wife, Tish, attended the University of Wisconsin during the turbulent 60s. They married during their senior year, then moved to Oregon, mostly because of the excellent camping and skiing. For his first 20 years in Oregon, Chuck and his growing family lived on a commune, where swimming at the local water hole in the suits God gave them was a normal summer afternoon occurrence. Since 1999 they have owned Hoodoo Family Recreation which manages Hoodoo Ski Resort, one of the oldest ski areas in the Northwest. Hoodoo took over the management of clothing-optional Cougar Hot Springs in 2005.

Tuesday Aug. 7 – Friday Aug. 10

7 – 8 a.m.

– **Au Naturel Office Hours with Erich Schuttauf**

Have a question for the AANR Executive Director or just want to meet him and say, “Hi?” This is your perfect chance to enjoy a cup of coffee and good conversation.

Tuesday, Cont'd.

Tuesday, Aug. 7

9:30 – 10:45 a.m.

- ***Nudity & the Law: Is it legal? When it is Not*** – Erich Schuttauf, J.D., AANR Executive Director

We've all had questions at one time or another... Is this thing we do called nudism really legal? What circumstances can change that? How about nude photography? Skinny Dipping in the backyard? This session provides a "reassuring" overview of the topic, while explaining some important do's and don'ts if you wish to minimize legal problems associated with nude recreation. An open question-and-answer forum will be incorporated into this session so you can ask that question you've always wanted to ask

11 a.m.– 12 noon

- Vicki Walker, Oregon State Senator. A "meet and greet" opportunity with a nudist-friendly elected official.

1 – 2:30 p.m.

- ***Streakers (Story-speakers)*** – Sharon McLeod, M.S., Technical Writer for 20 years

From your first nude experience to making social nudism a permanent part of your life, each and every one of us has stories to tell. And telling your own story is as comfortable as living in your own skin. Sharon will share how to tell your stories and discuss venues in which to present them. This seminar is intended as the foundation for a speakers' bureau, available to local community organizations such as Rotary, Kiwanis, and City Clubs. These speaking engagements, which do not carry the same risk and public visibility as media encounters, are an excellent opportunity to introduce others to social nudity while learning the basics of public speaking.

2:30 – 3:30 p.m.

- ***Communicating Membership Information to AANR, A How To Roundtable for Certifying Officers*** – Mel Kanner & Bev Price

How can you, the Certifying Officer, make your life easier? How can AANR help you do this? What secrets do you have that you can share with others? Come to this round table discussion and let's talk.

Wednesday, Aug. 8

8 – 9 a.m.

- ***GATify Your Newspaper Read*** – Shirley Gauthier, AANR Northwest GAT Chair

Enjoy your morning coffee and raise your GAT awareness. Shirley has long been addicted to reading newspapers. She has a different technique in reading the newspaper, while keeping GAT-focused. As a group you will dissect the newspaper and see how GATified you are when reading the local news.

9:30 a.m. – 12 noon

- ***AANR Committee Forums*** – AANR Committee Chairpersons

If you've ever wondered what the position of various AANR committee chairs entails, stop in and ask questions of the folks who hold these positions. They might even entice you to join their committees.

12 – 1 p.m.

- ***Supreme Court Cases that Changed the Nudist World*** – Lunch with Erich Schuttauf, J.D., AANR Executive Director

Sure, your postal carrier drops off your copy of *The Bulletin* and *N* magazine regularly and you probably don't think much about it. But did you know it took a U.S. Supreme Court decision to make it acceptable to send nudist publications through the mail? This lunchtime seminar takes participants on a historical "tour" of the cases that give us both the freedoms we enjoy – and a few restrictions too. Learn why the phrase "adverse secondary effects" has a lot to do with whether a community can prohibit nudity within a certain location, about issues in photography, and when and where The Court decided that nudist publications weren't obscene.

1 – 2:30 p.m.

– **AANR President's Town Hall Meeting** – John Kinman

An open forum, chaired by the president, which will allow all members to ask questions about current programs and make suggestions for the future of AANR.

2:45 – 3:45 p.m.

– **Taters and Volunteers** – Shirley Gauthier, AANR Northwest GAT Chair

By special request the Tater workshop is back. Just what do taters bring to the table when it comes to volunteers? Participants will contribute to the workshop by sharing their experiences, challenges and successes in recruiting, motivating and keeping volunteers engaged.

5 p.m. –

– **Single Malt Scotch (SMS)** – Originated by former AANR Legal Counsel Sol Stern (deceased)

This is **neither** a forum, **nor** a seminar, but it *is* a fun way to “meet and greet.” Everyone is welcome, but each attendee must *bring* a bottle of Single Malt Scotch and *leave* \$100 to be donated to the AANR Legal Fund. (Drinking Scotch is optional.)

Thursday, Aug. 9

12 – 1 p.m.

– Lunch with Bill Morrisette, Oregon State Senator

2 – 3:30 p.m.

– **Background Checks: the How, Why, When, Where & Who, an AANR Take Control Presentation** –

Mark Hammond, Erich Schuttauf and Walt Stephens.

Increasingly clubs looking to improve guest comfort and security have turned to screening memberships by either hiring firms to conduct background checks on member applicants, or turning to internet-based resources. Learn about why these potentially useful tools can also have hidden drawbacks if done incorrectly.

Friday, Aug. 10

1– 2 p.m.

– **How to Get Inked and Not Shredded: Editor reveals secrets about getting published in**

The Bulletin. – Linda Berry, *Bulletin* Editor

The Bulletin is the credible voice of AANR that reaches nearly 50,000 nudists each month. Imagine the excitement you will feel when you open the newspaper and see your story and name in print. Your friends will also read it and tell you what a great job you did. Finally, you will have the recognition you deserve. You won't want to miss this humorous and educational workshop.

2:15 – 3:30 p.m.

– **Club Tours: Yes, No, Nude, Clothed?** – Gary and Brenda Spangler, owners of Oaklake Trails, facilitators

You are proud of your club and eager for others to discover the joy of nude recreation, but how do you welcome guests at your gate? What is the best way to welcome prospective members? Do you give free tours? Do you require that guests be nude for a tour; are you nude or clothed for a tour? This roundtable discussion presents different perspectives and answers your questions. Come prepared to participate and learn.
